

Technical drawing of a vertical assembly, likely a ladder or a rack, showing dimensions in millimeters. The drawing includes a side view and a front view. The side view shows a vertical structure with four horizontal sections. The dimensions are: 212 mm for the top section, 228 mm for the second section, 101 mm for the third section, and 101 mm for the fourth section. The front view shows a horizontal structure with a width of 700 mm. The drawing is labeled with 'a' and 'b' at the bottom right corner.
